Advance Details

Basic guidelines and information that will help in your event planning:

PLAYER COUNTS: The player count guarantee is due three days in advance and is very important as it will facilitate the planning and constitute the minimum billing for the tournament.

PAIRINGS LIST: This list, consisting of four players per group, must be sent to us at least two days prior to your event to ensure the arrangement of tee times or hole assignments. We will also print custom cart signs and scorecards, and prepare lists by name, tee time or hole number. All lists will be given to you and also distributed to all areas of the club. These preparations will also assist in bag handling and check-in.

REGISTRATION: Your registration will take place on the deck adjacent to the Pro Shop and will be ready 1½ hours before your event begins. We will provide a 6' skirted table with two chairs. If more tables and chairs are required, please let us know.

DRESS CODE: Proper golf attire is required for event participants, staff and volunteers. Denim, blue jeans, short shorts, beachwear and open-toe shoes are not permitted. Men must wear shirts with collars and sleeves or golf mock turtlenecks. Please state our dress code on either your invitation, information sheet, registration, or tournament entry form.

FOOD AND BEVERAGE: A selection of food and beverage items is available for your group. No outside food or beverage may be brought on property. For tournaments including donated products, please consult with us for adjustments to the guidelines.

SPONSOR SIGNS: You are welcome to bring signs with you for placement on the course. We will provide you with a local sign source if requested. Please make arrangements to pick up your signs at the completion of your event.

RULE SHEET FOR PLAYERS: We will provide a complimentary custom rule sheet for your outing. A number of different tournament formats are available, with the four-person scramble the most highly recommended for pace of play and overall event enjoyment.

VOLUNTEERS: These wonderful people are very important to the success of your event. Plan on four to eight volunteers depending on the extent of your event. The course dress code applies to volunteers and they will also be included in your meal count.

We look forward to hosting you and your group for a fantastic event!
Please contact us with any questions you may have.
